POINT LOMA

Infant classroom

We believe a beautiful space around us with things made from natural, interesting materials, influences the imagination of the child and inspires learning. We aim to prepare the environment to serve the needs and interests of the child who will spend their time here.

Toddler Classroom

I am a former middle school History and Art Teacher and Vice Principal. That role gave me a wide view of what it looks like to run a school while wearing all the hats. My breadth of administrative and leadership experience gave me the confidence to begin a path of entrepreneurship. This space and community is an elegant solution for my own life as a mother of three young children. I care deeply about human formation at an early age and I want to support working families in an authentic community.

Founder & Mother of Three

Michele VanDerworp

How to join

Join Now

Apply for membership on our website at www.thenewhavens.com/apply to request your membership.

If there's a spot immediately available for you we will return your inquiry with your next steps to complete membership!

If we need to wait for a spot then we will recommend the waitlist.

Waitlist & Enrollment Process

If you're considering membership you can [join the waitlist now](#), and here's why you may want to:

- If you are browsing for care in the future, its best to plan in advance in order to get the timeline you need. We can only give proper priority to those on the waitlist for future start dates.
- If you are looking for a spot as soon as possible and yet we do not have one available
- The waitlist deposit is \$120 and will keep you on the list even if you defer.
